Any paper submitted to the JSP LI&S: should NOT be under consideration for publication at another journal. All submitted papers must also represent original work, and should fully reference and describe all prior work on the same subject and compare the submitted paper to that work.

All research articles in this journal have undergone rigorous peer review, based on initial editor screening and anonymized refereeing by at least two referees.

Recommending the articles for publishing, the reviewers confirm that in their opinion the submitted article contains important or new scientific results.

The authors of the articles bear the responsibility for their content.

When quoting the articles their author and edition should be mentioned.

It is not allowed the edition of the scientific articles to be copied, multiplied and distributed with the purpose of trade without the permission of the editor.
