The Editorial Board and Editorial Office of JBCR gratefully acknowledge the time and efforts of the following colleagues from the organizing committee of the Jubilee Scientific Conference “Public Health in the 21<sup>st</sup> century – realities and perspectives” who prepared the book of abstracts for publication:

**PRESIDENT:** Assoc. Prof. Gena Grancharova, MD, PhD

**SCIENTIFIC COMMITTEE:** Assoc. Prof. Angelika Velkova, MD, PhD

Assoc. Prof. Georgi Tsanev, PhD

Assoc. Prof. S. Aleksandrova-Yankulovska, MD, PhD

Assoc. Prof. Tony Vekov, PhD

Assoc. Prof. Mariyana Stoynovska, MD, PhD

Assoc. Prof. Silviya Tsvetkova, PhD

Assoc. Prof. Tsetsa Doichinova, MD, PhD

Assoc. Prof. Radka Gaydarova, MD, PhD

Prof. Ivet Koleva, MD, PhD, DSc

Assoc. Prof. Marussya Petkova, MD, PhD

**SECRETARIAT:** Assist. Prof. Makreta Draganova

Assist. Prof. Rositsa Koleva

Assist. Prof. Nadia Veleva

Assist. Prof. Kiril Statev

Assist. Prof. Zdravka Radionova, PhD

**Journal of Biomedical and Clinical Research**  
**Suppl. 1, Vol. 2, No 1, 2010**

**Contents**

Suppl. 1, Vol. 3, No 1, 2010

PLENARY LECTURES

- 15 Global health, threats and opportunities in the 21<sup>st</sup> Century - *Prof. Ulrich Laaser DTM&H, MPH*
- 15 Health economics and public health - *Prof. John Kyriopoulos*
- 15 From good practice in public health education and training towards better performance of public health professionals - *Prof. Vesna Bjegovic-Mikanovic*
- 16 Health in Central and Eastern Europe – what we gain and what we lose from national health systems performance? - *Assoc. Prof. Angelika Velkova, MD, PhD*
- 16 Ethics in public health - *Assoc. Prof. Marcel Verweij*
- 17 Clinical ethics support services: responding to needs and challenges - *Prof. Dr. Stella Reiter-Theil*
- 17 Global health in the 21<sup>st</sup> century: meeting the challenges - *Dr Bernard Dizier – World Health Organisation Headquarters, Geneva*
- 18 Modern strategies and technologies for strengthening public health - *Prof. Luydmila Syrtsova, MD, DMSc*
- 18 Global policy in health & safety in working environment. Changes in the work life in the era of globalization and occupational health services - *Assoc. Prof. Alp ERGOR, MD, PhD*
- 18 Professional health management - mission and challenge for the Bulgarian public health faculties  
*Prof. Veselin Borisov, MD, DMSc*

SECTION 1. HEALTH PROMOTION

ORAL PRESENTATIONS

- 19 Promotion of a healthy lifestyle: practice and typical errors - *L. Syrtsova, Y. Abrosimova, M. Vetlujskaya*
- 19 Significance of intervention programmes for the optimization of nutrition of children from 11 to 14 years of age - *P. Marinova, K. Stefanova, P. Dobrilova, P. Asparoukhova*
- 20 Comparative analysis of the results of the CINDI health monitor (1996, 2002, 2007) in Veliko Tarnovo demonstration area - *K. Petrova, P. Marinova, R. Manafova, N. Vassilevski, M. Boneva*

- 20 Nutrition assessment of elderly people in the context of health promotion strategy - *H. Milcheva, A. Andonova*
- 21 Risky sexual behaviour among teenagers in the region of Pleven - *J. Simeonova, N. Tzvetanova*
- 21 Sex and gender education – issue unsolved in practice - *G. Terzieva*
- 21 Poverty and health: results from a sociological survey among unemployed and people in the lowest income bracket - *E. Mutafova, J. Rangelova, T. Kostadinova, D. Tomov, K. Dokova, A. Dimova, E. Atanasova*
- 22 Cancer prevention by means of smoking cessation - *V. Levshin*
- 22 Essence and features of students' healthy lifestyle - *G. Terzieva*
- 23 Age as a determinant of physical activity among the individuals at the Medical University of Pleven - *J. Simeonova, A. Velkova*
- 23 Elaboration and organisation of school of health for patients with psychical and narcological disorders in Izhevsk - *L. Syrtsova, E. Zimina, D. Chirkova*
- 23 Health status and factors influencing teachers and school-children's health in Roma schools - *Y. Balichev, A. Uzunova, N. Tsacheva*
- 24 Health education problems of Roma pupils - *T. Popov, P. Balkanska, P. Trendafilova, A. Ivanova, S. Mladenova, Z. Savova, N. Georgiev*
- 24 Organization of preventive services at the outpatient level in the light of modern concepts and approaches - *G. Skvirskaya, A. Vyalkov*
- 25 Study of the professional competences in health promotion of school nurses - *S. Georgieva, A. Velkova, M. Kamburova*
- 25 Education on health promotion for medical sector and beyonds - *L. Syrtsova, Y. Abrosimova, I. Kosagovskaya*
- 26 Illegal and surrogate alcohols in Russia: implications for public health policy aimed at reduction of alcohol-related morbidity and mortality - *A. Gil, D. Leon*
- 26 Gender differences in physical activity of students, teachers and administration staff at the MU – Pleven – *J. Simeonova*

## POSTERS

- 26 The role of GPs in the proper and balanced diet of infants - *V. Nedkova-Milanova, M. Goranov, T. Petkova, V. Nedkova*
- 27 The effect of preoperative education given by a nurse on the level of knowledge, postoperative anxiety and pain of patients undergoing laparoscopic cholecystectomy - *O. Salkim, D. Caliskan, M. Ozen, K. Kose, Z. Biyikli*
- 27 Assessment of the safety culture in an automotive plant, Turkey - *M. Ocaktan, M. Çöl*
- 28 The level of knowledge of the healthy lifestyle behaviours and associated factors among the nurses at an University hospital - *N. Balhel, M. Ocaktan*

- 28 Students' health knowledge and behaviour in relation to prevention of tuberculosis - *G. Tsancova, B. Yustiniyanova*
- 29 Diagnosed with active pulmonary tuberculosis as a factor for prevention of the uninfected from catching the disease - *S. Deneva, N. Todorova, D. Somleva, K. Dragieva*
- 29 Health of Yakutsk medical professionals - *N. Savvina, A. Grigorieva*
- 30 Exclusive breastfeeding and infants' complementary feeding practices in Varna, Bulgaria - *N. Usheva, S. Popova, A. Kerekovska, K. Dokova*

## SECTION 2. EPIDEMIOLOGY OF NONCOMMUNICABLE DISEASES

### ORAL PRESENTATIONS

- 30 Increasing incidence of type 1 diabetes among children and adolescents for the region of Pleven – analysis for the last 30 years - *Ch. Petrova, B. Shentov, V. Mihailov, E. Barzashka*
- 31 Metabolic syndrome in children and adolescents with newly diagnosed arterial hypertension  
*V. Mihailov, Ch. Petrova, B. Shentov, M. Mihailova, V. Marinova, S. Kostova*
- 31 Epidemiological study of the cases with iridocyclitis in the Ophthalmology clinic – Pleven - *D. Stateva, Ch. Balabanov, B. Parashkevova, K. Statev*
- 32 Epidemiologic analysis of morbidity and mortality among cystic fibrosis patients from the region of Pleven - *V. Nedkova*
- 32 Socio-demographic factors related to adolescent pregnancy: a case-control study - *S. Oner, G. Yapici, A. Kurt, T. Sasmaz, R. Bugdayci*
- 33 Main risk factors for preterm birth - *M. Kamburova*
- 33 Analysis of the dynamics of disability in Bulgaria - *R. Zlatanova-Velikova, T. Zlatanova*
- 33 Medico-social problems of the elderly people in Bulgaria - *M. Stoikova, S. Nencheva*
- 34 Epidemiology of arterial hypertension at the regional level in Russia: total risk and prevention strategy  
*I. Ilchenko, N. Makarova, R. Eruslanova*
- 34 Definition of the health locus of control perceptions of individuals with coronary heart disease diagnosis – *N. Kuru, B. Piyal*
- 35 Clinical and epidemiological characteristics of malignant diseases of the digestive system  
*N. Naumovski, E. Lyubomirova, E. Stoykova, P. Petkov, H. Sabeva, M. Vlahova, E. Ikonomova, I. Marinova*
- 35 Gastroesophageal reflux disease (GERD) – with so many faces - *M. Vlachova, D. Lubomirova, I. Lalev, E. Ikonomova, N. Naumovski, I. Marinova, S. Baidanov, S. Ianakiev*
- 35 Clinico-epidemiological characteristics of the chronic liver diseases (CLD) - *D. Lubomirova, I. Marinova, I. Lalev, E. Stoykova, P. Petkov, Z. Subeva, N. Naumovski, M. Vlachova, E. Ikonomova*

### POSTERS

- 36 Carcinoma of the cervix as a significant social disease - *V. Kafadarova, E. Lapareva, G. Petrova, Ek. Stavreva, R. Koleva*

- 36 Social and health characteristics of pre-term and low-birth weight children born in the University hospital of Pleven in 2007 - *M. Kamburova, A. Velkova, S. Georgieva*
- 37 Health features of children born by teen-mothers - *N. Savvina, V. Egorova, N. Grigorieva*
- 37 The pneumonia in the paediatric practice – treatment, expenses and children's attitude - *B. Hadzhieva, N. Koleva, G. Petrova, B. Nakov*
- 38 Gender-related aspects in cardiovascular pharmacology - *G. Krasteva, E. Lakova*

### SECTION 3. EPIDEMIOLOGY OF INFECTIOUS DISEASES

#### ORAL PRESENTATIONS

- 38 Clinical and epidemiological characteristics of measles epidemic in the region of Pleven in 2010  
*Ts. Doichinova, G. Gancheva, Hr. Hristov, Hr. Tsvetanova*
- 38 Epidemiological aspects of mumps in Pleven and Razgrad districts - *M. Karcheva, N. Valkanova*
- 39 An ecological epidemiological study of the emerging tick-borne infections in the region of Dobrich –  
*R. Konstantinov, N. Valkanova, C. Paunov, D. Stoicheva, T. Panaiotova, R. Braikova, J. Angelova*
- 40 Microbiological control of disinfection of epidemiological significant objects of the hospital environment in the University hospital "St. Marina" Varna - *Ts. Paunov, R. Konstantinov, N. Valkanova, D. Stoycheva*

#### POSTERS

- 40 The malaria in the last decade in Turkey (1999-2009) - *M. Ocaktan, R. Akdur*
- 41 Measles encephalitis - *Ts. Doichinova, Hr. Hristov, G. Gancheva, Hr. Tsvetanova, P. Ilieva*
- 41 Study of the herd immunity of mumps of the population in Pleven district - *M. Karcheva*
- 41 Evaluation of the education of GPs about the problems of immunization - *T. Petkova, Ts. Valentinova, V. Nedkova-Milanova*
- 42 Socioepidemiologic data about hospitalized patients with measles for 2009-2010 in Varna region  
*M. Nenova, M. Gospodinova, S. Mileva*
- 42 Tendencies in the incidence of tuberculosis in the region of Varna for the period 2001-2008 –  
*G. Tsancova, Sv. Staneva, V. Todorova*
- 43 New isochromans. Part 1. Synthesis and antimicrobial activity of 4-substituted ( $\pm$ )-1h-spiro[benzo[c]py-ran-3(4h),1-cyclohexane]-1-ones - *D. Dimitrova, M. Bogdanov, Bl. Gocheva*

### SECTION 4. ENVIRONMENT AND PUBLIC HEALTH

#### ORAL PRESENTATIONS

- 43 Risk perception concerning electromagnetic radiation. Reasons for fears among the population. Precautionary measures - *V. Zaryabova, M. Israel*
- 44 Results of the first national interlaboratory measurements of electromagnetic fields - *T. Shalamanova, M. Ivanova*
- 44 Study of health risk from sun UV radiation on the population from the Pleven region - *S. Uzunova, N. Vassileva, E. Dancheva, D. Bozhilova, E. Teolova, A. Tachev, I. Djikova*

- 44 Electromagnetic fields, noise and vibration around wind power generators - *P. Ivanova, M. Ivanova, M. Israel*
- 45 Electromagnetic fields in the environment. Risk and policy - *M. Israel, V. Zaryabova, T. Shalamanova*
- 45 Measurement and assessment of ultraviolet radiation in working environment - *M. Ivanova*
- 46 Metals as biomarkers of environmental exposure and children's health - *I. Ilchenko, E. Ponomareva, S. Shivin, M. Kotova, S. Lyapunov*
- 46 Occupational health – resolved and unresolved issues - *N. Tsacheva, D. Antonova*
- 47 Psychosocial aspects of climate change and mental health impact - *B. Tzenova*
- 47 Medical disinsection – development and contemporary aspects - *D. Shalamanov, I. Popivanov, Tz. Tzvetanov, Hr. Atanasov*
- 48 Impact of ecological factors on microbial population from the chain of infection - *D. Shalamanov, I. Popivanov, Tz. Tzvetanov*
- 48 Ecological significance and control of the rodents – vectors and reservoir of infection - *D. Shalamanov, I. Popivanov, Tz. Tzvetanov*

#### POSTERS

- 49 Evaluation of the working environment based on the self reporting of nurses working at Cebeci hospital of Ankara University Faculty of medicine: sick building syndrome - *Z. Uzunhasanoglu, B. Akbulut, D. Caliskan, B. Piyal, R. Akdur*
- 49 Social-psychological aspects of state health control in the modern society - *S. Popova*
- 49 Evaluation of association between breakfast consumption and BMI in medical students - *V. Birdanova, L. Boyanov, N. Statev*
- 50 Endocrine disruptors – a possible threat for public health - *E. Lakova, G. Krasteva*
- 50 Musculoskeletal complaints, strain and fatigue in people working in service sector - *K. Vangelova, V. Stanchev*
- 51 Health problems in workers exposed to strain of muscular-skeletal apparatus and peripheral neural system – *I. Stoilova, A. Valkov*
- 51 Work-related diseases of the analyzers in mining industry workers - *Z. Stoyneva, M. Stoynovska, D. Medjidieva, R. Toncheva*
- 52 Work ability of aging employees - *K. Vangelova, V. Stanchev*
- 52 Analysis of the risk of occupational and work-related internal diseases in non-ferrous metals extraction - *M. Stoynovska, Z. Stoyneva, E. Petrova*

#### SECTION 5. MANAGEMENT AND QUALITY OF HEALTH CARE

##### ORAL PRESENTATIONS

- 53 Seasonal and weekly cycle of the visits of population to general practitioner - *R. Zlatanova-Velikova*

- 53 Sociological monitoring in the estimation of preventive actions - *N. Savvina, A. Yermolaev*
- 54 Comparative analysis of the quality and effectiveness of ischemic disease treatment in out-patient facilities in Bulgaria and England - *T. Vekov, R. Koleva-Kolarova, N. Veleva*
- 54 General practitioners' knowledge and implementation of blood pressure control guidelines in Bulgaria  
*K. Dokova*
- 55 What is "Whole Person Medicine"? - *M. Goranov*
- 55 Quality assurance of health care for corporate workers - *G. Skvirskaya*
- 55 Patient satisfaction from hospital care - *T. Kostadinova, M. Vladimirova, N. Feschieva*
- 56 Human resources for municipal healthcare system - *D. Vtorushin, S. Nikiforov*
- 56 Gaps in quality assurance of hospital services - *P. Trendafilova*
- 57 Effectiveness – a challenge in managing Bulgarian hospitals - *M. Georgieva, E. Mutafova*
- 57 „What does it mean to take care for a cancer patient in Bulgaria?” – or the problems of the caregivers  
*N. Yordanov, D. Yordanova*
- 58 Are the Bulgarian hospitals safe? Methodological aspects of patient safety measurement - *A. Dimova*
- 58 Satisfaction of staff in voluntary health insurance fund - *R. Zlatanova-Velikova, V. Petkov, T. Zlatanova, A. Tachov*
- 58 Social status and professional satisfaction of Bulgarian physicians - *J. Rangelova, K. Dokova*
- 59 The influence of leadership on work performance of health professionals - *R. Koleva-Kolarova*
- 59 100 years regional health service in Bulgaria - *K. Kushev*
- 60 The role of a crèche nurse in providing day care and upbringing children aged 15 months to 3 years -  
*E. Dimitrova, Y. Tzvetanova, I. Ivanova*
- 60 NIC and NOC – classifications of nursing interventions and outcomes - *M. Draganova*
- 60 Awareness of health care professionals on the safety of patients – survey report - *N. Radeva-Dafinova, R. Stavrova, R. Radev, I. Getov, Vl. Radev*

## POSTERS

- 61 The relationship between physicians and their occupational organisation in Mersin, Turkey - *A. Kurt, G. Yapici, T. Sasmaz, M. Uzabaci, A. Tol, I. Bozgedik, G. Ozturk*
- 61 Medical care quality in the I. M. Sechenov Moscow Medical Academy (MMA) clinics: problems and decision - *A. Allenov*
- 62 Problems and perspectives in front of the general practitioners today - *Ts. Valentinova*
- 62 Characteristics of hospices' patients in Bulgaria - *S. Aleksandrova-Yankulovska, G. Grancharova*

62 Duration of hospitalisation in elderly with cardiovascular diseases - *F. Grigorov*

## SECTION 6. HEALTH ECONOMICS

### ORAL PRESENTATIONS

63 Health care resources and effectiveness in the Balkan region - *Evg. Delcheva*

63 Correlation analysis of patients' satisfaction and financial indicators of voluntary health insurance funds in Bulgaria in 2009 - *T. Vekov, N. Veleva, M. Draganova*

64 Implementation of the economic analysis in the field of the clinical immunology - *J. Pavlova, A. Nedialkova*

64 Relative health care efficiency in Bulgaria and its neighbours - *Evg. Delcheva*

65 The role of generic medicines in provision of affordable and effective healthcare - *D. Manolov, I. Getov*

65 What is the application of willingness-to-pay method in pharmacoeconomics - *E. Grigorov, I. Getov*

65 Current trends of the health reform - *A. Cheshmedjieva, S. Bachev*

66 Equity in health and its interpretation from the point of view of health economics - *S. Gladilov*

66 Payment for home visits – stimulus for general practitioner - *Ts. Petrova-Gotova*

66 Analysis of state and financing of primary health care for the period 2003-2008 - *T. Zlatanova*

67 Analysis of activities and main planning indicators for facilities of hospitals for active treatment – *R. Yaneva*

67 Analysis of hospital care expenses of the Health insurance fund in the region of Pleven during the period 2007-2009 - *P. Stefanova, S. Deyanov, S. Georgieva*

68 An attempt to value a forensic medical autopsy in the University hospital – Pleven - *P. Lisaev, D. Dekov, S. Deianov, Pl. Dorovski*

68 Modern aspects of the reforms in the European Union member-states - *D. Sthereva*

### POSTERS

68 Pharmacoeconomic analysis of the treatment of community acquired respiratory infections  
*P. Glogovska*

69 The value of antibiotic treatment in patients with community acquired pneumonia with resistant and sensitive isolates - *P. Glogovska, P. Hristova, Y. Ivanov, P. Pavlov, A. Karcheva, T. Popova*

69 Analysis of the cosmetic products market during the period of pre-accession of Bulgaria to the European Union - *Zh. Ibrahim, V. Madgarov, St. Georgiev, Zl. Dimitrova*

70 Pharmacoeconomic assessment of Infliximab for rheumatoid arthritis - *A. Stoimenova, A. Savova, M. Manova, G. Petrova*

70 Pharmacoeconomic assessment of Temozolomide for recurrent glioblastoma - *A. Stoimenova, A. Savova, M. Manova, G. Petrova*

## SECTION 7. EDUCATION AND INFORMATION TECHNOLOGIES

### ORAL PRESENTATIONS

- 70 Approaches for optimization of the teaching content in informatics in the bachelor degree programmes  
*G. Tsanev*
- 71 Application of computer technologies for the optimization of work activities of health professionals  
*G. Tsanev, V. Bogomilova*
- 71 Results from application of test manager 2.0 for assessment of students in the Medical University – Pleven - *K. Statev, G. Tzanev*
- 72 National strategic framework model of e-health in Bulgaria - *Iv. Kostov*
- 72 Nursing informatics in support of nursing practice - *V. Atanasova*
- 73 Example for using e-learning standards - *P. Kolchakova, A. Kirkova*
- 73 The competency-based approach in the training of health managers - *P. Balkanska, N. Georgiev, K. Popova, L. Ivanov*
- 73 Teaching epidemiology for public health students in I. M. Sechenov Moscow Medical Academy - *A. Gil, I. Kosagovskaya*
- 74 The quality of skill training for students – nurses and midwives taking a bachelor’s degree course  
*E. Dimitrova, P. Dilova, T. Popova*
- 74 Challenges for the teacher in health care in modern nursing education - *Z. Lecheva, K. Popova*
- 75 Building new skills in nurses for raising the quality of the health care – priority of contemporary nursing – *S. Dimitrova*
- 75 Pedagogical interaction between nurse – patient – family - *Y. Tsokova, E. Merdjanova, G. Petrova*
- 76 Motivation of the students in the faculty of public health about their profession choice - *T. Popov, R. Yaneva, P. Balkanska, P. Trendafilova, S. Mladenova, K. Popova*
- 76 Management of health care students’ realization (2005-2010) - *N. Veleva, G. Grancharova, M. Draganova, R. Koleva-Kolarova*
- 76 Suggestion for clinical skills assessment in physiology through objective structured clinical examination – *Z. Radionova, I. Himcheva*
- 77 Approaches to teaching of English for specific purposes to students with medical specialty - *Iv. Dagnev*
- 77 Roleplay games in foreign language teaching of medical students - *I. Dagnev, M. Saykova*

### POSTERS

- 78 Holistic vs indicative assessment: a look from the students’ perspective - *A. Kirkova, P. Kolchakova*
- 78 Principles of teaching discipline Medical device obstetrics and gynaecology practice - *E. Petkova, M. Kasarova, C. Grudeva, S. Papanov, K. Ivanov, V. Andonova, D. Penkov*

78 Preparation of x-ray laboratory technician students in Medical college Plovdiv for brain magnetic resonance analysis /MRT/ - *K. Panamska, M. Sapundjieva, M. Shangova, S. Karidova, E. Kotseva, D. Amudzhiyan*

79 Place and role of an x-ray technician during diagnostic imaging examination and radiotherapy for thyroid cancer - *M. Sapundjieva, Ek. Stavreva, K. Panamska, V. Kadafova, S. M.hangova, Sv. Karidova*

## SECTION 8. FUNDAMENTAL ETHICAL PROBLEMS AND CLINICAL ETHICS ORAL PRESENTATIONS

79 The students at the Medical faculty of the Trakia University and the advanced care planning in oncological patients - *Sv. Dimitrova, G. Petrova, G. Chamova, B. Parashkevova, J. Marinova*

80 Ethical conduct and moral problems in the radiographers' profession - *P. Gagova, N. Boninska*

80 Patients' preliminary decision in Bulgarian clinical practice - results from an empirical study – *J. Marinova, B. Parashkevova, Sv. Dimitrova, G. Petrova, G. Chamova, K. Peeva*

81 The dying patient and the hospital - *M. Liotchkova, V. Michaylova-Alakidi*

81 The interdisciplinary ethics course at Howard University College of medicine: a model of ethics education for medical students in the 21-st century - *A. Pascalev*

81 The ethical challenges of unrelated living organ donation - *A. Pascalev*

82 In Bioedge's focus - *S. Aleksandrova-Yankulovska*

82 Spiritual care in Bulgarian hospices - *S. Aleksandrova-Yankulovska*

## POSTERS

83 Communication doctor-patient in general practice - *M. Balashkova, Ts. Valentinova*

83 The views of medical doctors on elder discrimination - *O. Ögenler, G. Yapıcı, B. Taşdelen, T. Akça*

84 Ethical problems in mentally ill patients /children and adults/. Role and place of nurses  
*N. Dimitrova, P. Zhekova, I. Petkova*

84 Organ donation and transplantation in the EU: problems and challenges - *A. Kerekovska, I. Mircheva, S. Popova*

## SECTION 9. MENTAL HEALTH ORAL PRESENTATIONS

85 National representative epidemiological study of common mental disorders in Bulgaria (2003-2007) - prevalence, socio-demographic correlates, service and comparative data from other European countries - *Z. Zarkov, R. Dinolova*

85 Mental health services for children and school children as an aspect of the national mental health policy - *K. Kostadinova*

86 Is psychodynamic psychotherapy really effective? Meta-analysis outcomes - *P. Dimitrov*

86 Stigma in people with mental disorders - *V. Nakov, C. Martinova, T. Donchev*

- 86 Therapeutical efficacy of Donepezil in Alzheimer's disease - *R. Gaydarova*
- 87 Burnout syndrome and mental health determinants in MBAL (Multispecialized hospital for active treatment) - *B. Tzenova, K. Sapundjiev*
- 87 Burnout syndrome in medical workers - *V. Andreev*
- 88 Attention to minor symptoms of the burnout syndrome - *K. Goranova*
- 88 Neuro-psyche pressure and stress in occupational inspectors - *P. Georeva, R. Mikhailova*
- 89 An investigation of the emotional state and the level of anxiety and depression in patients from Northwest Bulgaria when learning the diagnosis "cancer" - *M. Kostova*
- 89 Results from the activities for suicide prevention in Bulgaria - *A. Broshtilov, V. Nakov*
- 89 Alcohol use and abuse among students. Essence and features of the problem - *G. Terzieva*
- 90 Psychological consequences from pirate`s attack and long captivity among Bulgarian seamen – second part - *I. Aleksandrov, V. Stoyanov*
- 90 Stimuli locus as predictor of happiness, life satisfaction and well-being - *M. Bakracheva, B. Mizova, D. Bakalova*
- 91 Motivation for success as disposition of personality in students and people working in the sphere of social services - *S. Tsvetkova, P. Hristova*
- 91 Monitoring substance abuse and prevention dependence in teenagers - *E. Skvortsova*
- POSTERS**
- 91 Studying the manifestations of stress in trained staff in the Medical University - *Hr. Romanova, I. Marinova, N. Radeva, D. Tomov*
- 92 Protecting factors against the development of "burn-out syndrome" in teachers - *M. Proshenska, P. Argilaska, M. Kukularova*
- 92 Impact of workplace environment on psycho–emotional condition of healthcare specialists  
*M. Sapundjieva, Ek. Stavreva, M. Shangova, N. Belcheva, K. Panamska, Sv. Karidova, G. Petrova*
- 93 The analysis of alcohol dependence efficient population morbidity in Izhevsk - *D. Chirkova, D. Pushin, Y. Kovalev*
- 93 The analysis of organic nonpsychotic mental disorders morbidity in Izhevsk - *E. Zimina, Y. Kamenzhikov, R. Ahapkin*
- 94 Methadone maintenance center in Pleven: 18-month period efficacy evaluation - *K. Ivanov, K. Stoychev, M. Alexandrova, R. Stoychev*
- 94 Changes in brain serotonin uptake in aggressive socially isolated mice. Pharmacological protection with newly synthesized aminoacid derivatives - *E. Encheva, S. Stancheva, L. Alova, L. Tancheva, D. Dimitrova, V. Petkov, D. Tsekova*

## SECTION 10. MEDICAL REHABILITATION AND ERGOTHERAPY ORAL PRESENTATIONS

- 95 Kinesytherapy and ergotherapy in patients with disseminated sclerosis – general objectives and strategies - *P. Barakova*
- 95 Medico-social rehabilitation of employees injured and damaged at work - *G. Skvirskaya*
- 96 Application of neurodynamic techniques after humeral shaft fractures - *E. Dimitrova*
- 96 Early functional results in patients treated operatively with rupture on ventral talofibular ligament  
*N. Mihailova*
- 97 Studying the effect of application of manual mobilizing techniques by Maitland for recuperation of arthrokinematics of the knee complex - *R. Kostov*
- 97 Exercise program for reduction of body weight in case of over-weight and obesity - *P. Gavriel, L. Kraydjikova, S. Stoykov*
- 98 Impact of physical training on patients with heart diseases - *T. Megova*
- 98 The PEOP-model in kindergarten settings - *R. Nikolova*
- 99 Adapting the education in „Medical rehabilitation and occupational therapy” to the clinical practice  
*I. Koleva, R. Yoshinov, T. Troev*
- 99 Introduction of modules of neurorehabilitation in the master’s programme in „Medical rehabilitation and ergotherapy” - *I. Koleva, T. Panteva, V. Zhelev, R. Yoshinov*
- 100 Introduction of the holistic approach in neurorehabilitation during the education in Rehabilitation and Medical rehabilitation and ergotherapy - *I. Koleva, R. Yoshinov, E. Marinov, R. Pascaleva, A. Stefanova*
- 100 The importance of balance for activities of daily living in adults - *L. Stoyanova, K. Totev*
- 101 Evaluation of results of centimetry in patients with fracture of distal radius after a MR and OTH course  
*D. Vacheva, A. Mircheva*
- 101 The role of art in occupational therapy of people with disability - *I. Topouzov, L. Nikolovska*

## POSTERS
