

Settlements in Bitola region, R. Macedonia

The authors of this book worked many years. The book represents the largest volume of the project approved by the Municipality of Bitola. It treated the three municipalities Bitola itself and those belonging to Bitola region. The text abounds with detailed information about the settlements supported by tables, photos, drawings, maps and so on. In the area of the settlements a processed and administrative division of the Bitola region, from ever since. Apart from the related data for 130 neighborhoods and provides data on mining and displaced villages and various functions in the settlements of the Bitola region. At the end of the book is a literature and specialized attachments. Finally express gratitude to Prof. reviewers Miroslav Stojanovski and Prof. Dr. Jane Džalevska for the advice given in that precious manuscript to print. Publicly express thanks to the large number of respondents, to the artist Petar Petrovski and photographer Peter Ivanov. Also drawings and photographs, as well as to other persons and institutions which got different types of information and data, forming grounds to the project. Miroslav Stojanovski, Bitola, R. Macedonia
