

AGENDA / PROGRAM

- 1st International Students' Symposium at Faculty of Medical Sciences 2016 -

08:30 - 09:00 - Registration

09:00 - 09:10 - Welcome note from Prof. Dr. Blazo Boev, Rector at University "Goce Delcev" of Stip

09:10 - 09:40 - "Road to science (for students)", Prof.Dr. Rubin Gulaboski (1st plenary presenter)

FIRST SESSION

09:40 - 10:10 - "Studying the cost of treating diabetes in Bulgaria", Prof. Dr. Miglena Doneva (2nd plenary presenter)

10:10 - 10:20 - "Features and benefits of ²²³Ra radiopharmaceuticals for treatment of cancer", Andonela Janeva (student)

10:20 - 10:30 - "Immunomodulation of probiotics and their role in allergy", Spase Stojanov (student)

10:30 - 10:40 - "Future therapies for neurodegenerative diseases using molecular tool for editing genes – CRISPR CAS 9", Ana Nikolova (Pharmacist)

10:40 - 10:50 - "Importance of quantum mechanical tunneling phenomena in life sciences", Petar Davcev (student)

10:50 - 11:30 - Coffee break

SECOND SESSION

11:30 - 12:00 - "Regeneration of salivary glands – from in vitro to in vivo models", Prof. Dr. Mihnea I. Nicolescu (3rd plenary presenter)

12:00 - 12:10 - "Oral health status among dental medicine students in the two final years of studying", Natasha Arsova (student)

12:10 - 12:20 - "Effect of the mitotic inactivation on the properties and biologic activity of mesenchymal human stem cells", Aleksandra Jakovleva (student)

12:20 - 12:30 - "Estimation of proangiogenic properties of artificial microvesicles from SHSY5Y cells", Kristina Jakovleva (student)

12:30 - 12:40 - "Master plan for treatment – Challenge for the future of dentistry", Stefan Kitanovski (student)

12:40 - 14:30 - Lunch time

THIRD SESSION

14:30 - 15:00 - "Tibial tendonitis - and another on hip fracture", Dr. David M. Burandt (4th plenary presenter)

15:00 - 15:30 - "Community - acquired pneumonia", Prof. Dr. Richard Glenn Wunderink (5th plenary presenter)

15:30 - 15:40 - "Angiographic and procedural predictors of periprocedural complications", Strahil Todorov (student)

15:40 - 15:50 - "Chronical Non specific low back pain treated with kinesiotapeing", Kristijan Nikolov (student)

15:50 - 16:00 - "Abstinent syndrome and deviant behaviors investigated in opiate dependent individuals", Martin Angelov (student)

16:00 - 16:10 - "Acute coronary syndrome", Matej Otiljanski (student)

16:10 - 16:20 - Closing ceremony

16:20 - 17:00 - Awarding of certificates

POSTER - PRESENTERS

- 1ST INTERNATIONAL STUDENTS' SYMPOSIUM AT FACULTY OF MEDICAL SCIENCES 2016 -

1. Author: Nikola Stoilkovikj; Co-authors: Gjorgji Shumanov and Slobodan Rogac, "Incidence of large intestinal carcinoma in patients from Clinical Hospital - Stip for a period of 2010-2015"
2. Author: Nikolina Kochovska; Co-author: Darko Kochovski, "Oral cavity changes after radiotherapy"
3. Author: Aleksandra Ristova – Stojanova; Co-author: Oliver Ristov, "Doppler ultrasound: noninvasive way of imaging the blood flow"
4. Author: Violeta Koneva; Co-authors: Biljana Gjorgjeska and Sofija Petkovska, "Comparison of Dissolution Test for Metronidazole Tablets in International and American Pharmacopoeia"
5. Author: Vesna Mladenovska; Co-authors: Biljana Gjorgjeska and Sofija Petkovska, "Gestational Diabetes, Experience of the Clinic for Gynecology in Skopje in the period 2013-2015"
6. Author: Martin Karovski; Co-authors: Jihe Zhu and Blagica Arsovska, "Acupuncture treatment for lumbar disc herniation"
7. Author: Angela Angelovska; Co-authors: Jihe Zhu and Blagica Arsovska, "Acupuncture points in treatment of adolescent depression"
8. Author: Daniela Mickovska; Co-authors: Ivona Kovacevska, Natasha Denkova and Pavle Apostoloski, "High performance polymers in dental laboratory"
9. Author: Dijana Miloseva; Co-authors: Lence Miloseva and Dajana Bopkovska, "Passive suicidal ideation as a risk factor for suicide among cancer patients"
10. Author: Jane Nacevski; Co-authors: Hristijan Dimoski, Stefan Kitanovski, Ivona Kovacevska, Natasha Denkova and Kiril Mitevski, "Approximal margin adaptation on class II – posterior interproximal cavity restored with open and closed sandwich technique"
11. Author: Ivana Bojchovska; Co-authors: Darko Kochovski, Sandra Atanasova and Mihajlo Petrovski, "Anesthetic Buffering: New Advances for Use in Dentistry"
12. Author: Mihail Aleksandrov; Co-authors: Viktorija Maksimova and Rubin Gulaboski, "Development of an electrochemical method for estimation of the antioxidative capacity of syringic and ferulic acid with ABTS as a redox mediator"
13. Author: Magdalena Koceva; Co-authors: Ana Trajkovska, Verica Toneva and Darko Kochovski, "Vaplast – Material for Flexible Removable Partial Dentures"
14. Author: Meri Stevanoska; Co-authors: Vera Dzateva, Eva Markovska and Velo Markovski, "Varicella in the region of Prilep"
15. Author: Todorche Monev; Co-author: Jihe Zhu, "Comparative research on Insomnia syndrome through treatment with Chinese medicine and reflex therapy"
16. Author: Ljupka Lazarova; Co-author: Evgenija Trajkoska, "Mandibular Supraprothesing Retained by Dental Implants-CASE REPORT"
17. Author: Marinela Popova; Co-authors: Aleksandra Toneva and Jovanka Stojmenova, "Analgesia during intraoperative and postoperative period"

18. Author: Natasha Denkova; Co-authors: Katerina Zlatanovska, Simon Nadzenski, Dragan Spasov and Mihajlo Petrovski, "Representation of different techniques for determination of the working length in endodontic treatment"
19. Authors: Marija Dejkoska and Andrej Petrushevski; Co-authors: Cena Dimova, Verica Toneva and Darko Kochovski, "Types of toothbrushes"
20. Author: Igor Cvetanoski; Co-authors: Cena Dimova and Marko Petrovski, "Contemporary Classification of Supernumerary Teeth"
21. Author: Cvetanoski Ognjen; Co-authors: Stefan Ilievski and Cena Dimova, "Artificial Sweeteners and Oral Health"
22. Author: Ivana Ristova; Co-authors: Mihajlo Petrovski, Ivana Bojchovska and Darko Kochovski, "Using of additional supplements for oral hygiene"
23. Authors: Stefan Ilievski and Robert Nikolovski; Co-authors: Kristina Denchovska, Eva Markovska, Tomica Anchevski and Velo Markovski, "Anemia as a reason for hospitalization in the region of Kumanovo"
24. Author: Menche Petrovska; Co-author: Nevenka Velichkova, "The importance of cytogenetic screening in prenatal diagnosis of Down syndrome"
25. Author: Sarita Kadrova; Co-authors: Milan Dumitrashkovic and Cena Dimova, "Applying ROOTT implant system directly after extraction of teeth"
26. Authors: Robert Nikolovski and Kristina Denchovska; Co-authors: Eva Markovska and Velo Markovski, "Epidemiological Characteristics of influenza Virus in Municipality of Kumanovo"
27. Author: Ivana Filipovska; Co-authors: Blagica Arsovska and Jihe Zhu, "Gua Sha in back pain and neck pain"
