

- EN 010 F. Vlahovic, S. Stepanovic, A. S. Nikolic, M. Zlatar, M. Kuraica
The choice of active centre through reaction mechanism of azo dyes oxidative degradation
- EN 011 Radoje Pantović, Marijana Pantović, Katarina Pantović, Miroslav Pavlović
Monitoring of Krivelj river collector deformation
- EN 012 Magdalena Trajkovska Trpevska, Stefan Jovanovski
Determination of mass concentration of PM10 and heavy metals in ambient air samples in municipality Karpos in Skopje
- EN 013 Stefan Jovanovski, Magdalena Trajkovska Trpevska, Mladenka Cakaroski
Thorin spectrophotometric method - an excellent alternative method for determination of the mass concentration of sulfur dioxide in ambient air
- EN 014 B.S.Boyarov, G.I.Patronov
Study of the behavior of HgS and cinnabar at thermal treatment in oxidative medium
- EN 015 Ljubiša Nikolić, Aleksandar Zdravković, Snežana Ilić-Stojanović, Vesna Nikolić, Stevo Najman, Ana Ćirić
Application of hydrogel poly(*n*-isopropylacrilamide-co-acrylic acid) for adsorption of heavy metals
- EN 016 Dušica Koceva, Elizabeta Dimitrieska-Stojković, Zehra Hajrulaj-Musliu, Dean Jankuloski
Lead and cadmium distribution in wild game liver samples from Macedonia
- EN 017 Danica Bozinova, Trajče Stafilov, Robert Šajn
Spatial distribution of chemical elements in soil from the Gevgelija-Valandovo region, Republic of Macedonia
- EN 018 Semra Çoruh, Elif Hatice Gürkan, Yusuf Tibet
Investigation of dye removal using travertine as an adsorbent: full factorial design analysis
- EN 019 Cem Kılıçoğlu, Elif H. Gürkan, Semra Çoruh
Properties of fresh and hardened concrete using waste foundry sand and waste glass powder as partial replacement of fine aggregates
- EN 020 Drage Petreski, Andrej Iliev, Aco Velkovski, Faruk Hasic
Challenges and prevention of chemical terrorism
- EN 021 Andrej Iliev, Drage Petreski, Faruk Hasic, Aco Velkovski
Historical development and protection measures from hydrogen bombs
- EN 022 Silvana Vasilevska, Trajče Stafilov, Robert Šajn
Distribution of chemical elements in water from river Crn Drim
- EN 023 Sonja Malinovska, Lambe Barandovski, Trajče Stafilov
Biomonitoring of air pollution with heavy metals in the Republic of Macedonia
- EN 024 Elizabeta Veljanoska-Sarafiloska, Lenče Lokoska
Physico-chemical and microbiological investigations of Lake Prespa
- EN 025 Lence Lokoska, Elizabeta Veljanoska-Sarafiloska
Microbiological and chemical characteristics of river Crn Drim from the outflow of Lake Ohrid to the inflow into reservoir Globocica
- EN 026 Biljana Balabanova, Trajče Stafilov
Bioavailability of metals occurring in polluted soil and its accumulation in plant food
- EN 027 Biljana Balabanova, Trajče Stafilov, Robert Šajn, Claudiu Tănăselia
Longtime geochemical evolution of Cd-Pb-Zn distribution in deposited attic dust
- EN 028 Viktorija Bezhovska, Blagica Cekova, Erhan Mustafa, Filip Jovanovski
Procedures for wastewater treatment through the soil
