Contemporary Trends and Challenges in Finance

Proceedings from the 2nd Wroclaw International Conference in Finance

Series: Springer Proceedings in Business and Economics

This book contains a selection of the contributions presented at the conference. The articles reflect the extent, diversity and richness of research areas in the field, both fundamental and applied finance. The target audience of these proceedings includes researchers at universities and research and policy institutions, graduate students and practitioners in economics, finance and international economics in private or government institutions.
