About the Journal

Balkan Social Science Review (BSSR) is established on behalf of the Faculty of Law in the University “Goce Delcev” in Stip, Republic of Macedonia. It is designed to encourage interest in all matters relating to law, political sciences, and sociology seen in the context of the Balkan, with an emphasis on matters of theory and on broad issues arising from the relationship of wider social science disciplines encouraging interdisciplinary approach in areas of relevance.

The journal does not favor one over another approach, but rather encourages the use of appropriate social science approaches for the given topic or paper. The BSSR urges potential authors to consider a wide range of important policy discussions, arguments, practices, methodologies, and theories, in areas including: The main scope of this Journal is on several areas of Social Sciences. We encourage researches in:

- Comparative studies within Balkans and Europe

- Law and legal framework in different Balkan countries and aprocsimation of EU legislative and practices
- International relations of Balkan countries (Geopolitics), but also and inner-regional cooperation and perspectives
- Political status of each Balkan country, and the regional politics, seen in the perspectives of different political theories
- Ethnicity, social inclusion and national identity development in the context of the Balkan
- Good governance, human rights, human development and civil societies in the Balkan
- Public Administration in different Balkan countries- compared experiences in the region and European practices
- Media and Communications in the Balkans
- Security aspects of the Balkan region, building peace and coexistence est.
