Invitation

Dear Colleague,

We look forward to welcoming you to Istanbul for the 101st FDI Annual World Dental Congress and Exhibition. This year's scientific programme promises to be outstanding with internationally renowned speakers and we have also scheduled another series of the highly successful 'early morning' and 'meet the expert' sessions, first introduced in 2012.

Industry symposia are also on the programme. The Congress will cater equally to the needs of local, regional and international participants. Early signs are that the Congress exhibition will also be a record breaker, with well over half the 5,000 m² space already reserved.

Istanbul needs little introduction: straddling the Bosphorous—one of the world's busiest waterways—it is Turkey's cultural capital, former seat of four empires and, today, an attractive destination for international meetings, boasting a brand new state-of-the-art convention centre and wide choice of world-class hotels and other accommodation.

Easily accessible by road rail, sea and air, Istanbul offers the visitor an unforgettable experience with its colourful neighbourhoods, warm, sunny climate, especially in late August, hospitable local population and superb cuisine and entertainment.

FDI 2013 Istanbul is jointly organized by our two organizations: FDI World Dental Federation and the Turkish Dental Association.

FDI, with some 200 member national dental associations and specialist groups from more than 130 countries, serves as the principal representative body for over one million dentists worldwide.

The Turkish Dental Association (TDA) is the collective 'voice' of nearly 24,000 dentists and the country's regulatory body for dentistry.

We trust an outstanding congress, a wonderful venue, and expert organizers will make this the must event in dentistry in 2013. Join us in Istanbul 28 to 31 August!

Dates

28-31 August 2013

Languages

Official congress languages are English and Turkish. Simultaneous translation will be available from Turkish to English on relevant sessions and English to Turkish on selected sessions.

Invitation letter

An official invitation letter can be produced from the online registration system. Please contact congress secretariat for special request.

Certification of attendance

All congress participants will be issued a certification of attendance. You can collect your certificates from the registration desk from 30 August 2013.

Name badge

All participants are kindly advised to wear their name badges at all times during the congress. Entrance to scientific sessions will be through a barcode system printed on your name badge.

Registration desk

Congress registration desk will be at the entrance of the congress centre and will be open from 07:00 to 19:00 during congress dates.

Exhibition area

An industrial exhibition will be available throughout the congress. The exhibition will take place at the B5 floor of Istanbul Congress Center and will be open during congress hours.

FDI 2013 Istanbul Exhibition

Exhibition access is absolutely free of charge

With most of the exhibition space already reserved, the FDI 2013 Istanbul Exhibition is likely to be a true record breaker. It is being held in the state-of-the-art Istanbul Congress Center, the city's largest exhibition venue and one of the biggest convention centres in Europe. It was first opened in October 2009, when it hosted the annual meetings of the International Monetary Fund and World Bank group.

Over 5,000 m² of exhibition space

Over 5,000 m² of exhibition space on the B5 floor of Istanbul Congress Center is being made available to spotlight the very latest cutting edge developments in dental technology and oral care from local and regional suppliers as well as from around the world. Dentists and other oral health practitioners will have free access to view the current offer on the international oral health market.

The exhibition hall will feature:

Live product display centre: a purpose built theatre in the heart of the exhibition;
Poster corner: presentation platform for posters;

Opening hours

28 to 30 August 10:00 - 19:00

31 August 10:00 - 18:00

More about the FDI 2013 Exhibition at www.fdi2013istanbul.org

Replay theatre: the replay theatre to showcase selected sessions throughout the day.

A Market Area will be set aside for over-the-counter sales.

Accommodation

Istanbul offers a wide variety of hotels to suit every budget: every effort has been made to reserve rooms in hotels that are both convenient and well recommended. Most are in Congress Valley, within 3 to 20 minutes walking distance of the Congress centre.

Other suggested hotels are in the Old City with good public transport connections to the Congress Centre. Hotels in the Business District are only a 15-minute metro ride away.

Rates vary from EUR 125 per room, per night for a single room in a standard class hotel to EUR 280 for a double room in a business class hotel. These rates include breakfast and service charge. All hotels are subject to 8% Value Added Tax.

Due to limited availability of rooms, we suggest you book your hotel as early as possible.

For conditions and further details, click on the accommodation link on the left of the congress website.

Individual bookings

- Online at www.fdi2013istanbul.org.
- Full payment required to confirm accommodation.
- All participants will receive confirmation letter.

Cancellations

- Cancellations in writing to K2 Conference and Event Management (for contact details, see page 11).
- Full refund for cancellations before 15 April 2013.
- 50% fee on cancellations between 15 April and 15 June 2013.
- No refund for cancellations after 15 June 2013.

Istanbul, Turkey - a voyage of discovery

Istanbul: a cultural treasure chest

Istanbul is a veritable cultural treasure chest and FDI and local partner the Turkish Dental Association are proud to present congress goers with a wide variety of local tours to savour the city's sights, sounds and history in a series of tours

On the water

Visitors can cruise eastwards the world-renowned Strait of Bosphorus, viewing along the way Ottoman summer palaces and a 15th century fortress pre-dating the arrival of Sultan Mehmet the Conqueror, or westwards the Sea of Marmara to Princes' Islands, once the pleasure island of Byzantine Princes, today a popular summer resort.

On land

Visitors can marvel at the splendours of Istanbul's past such as the 5th century Hagia Sophia Museum and the 17th century Ottoman Blue Mosque, steep themselves in history at the Roman Hippodrome, feast their eyes on the treasures at Topkapi Palace, take a stroll through the world-famous Grand Bazaar and wind up the day with a tour of Istanbul by night.

Local tour details, prices and conditions are available on the congress website at: www.fdi2013istanbul.org.

Turkey: unique landscapes, historic events

Unique landscapes

Turkey offers visitors a land of unique landscapes, among them Cappadocia, with its unique, spectacular, surrealistic and multihued 'Fairy Chimneys', with Christian chapels and monasteries hollowed out of the rock during Byzantine times, later serving as a refuge for Christians, persecuted by the Romans.

A journey through history

Part of Turkey's long and varied history is on display at Ephesus, with its extensive Roman ruins and, nearby, the reputed last home of the Virgin Mary, at Pergamum, with its Acropolis, Altar of Zeus, and precipitous theatre, and at Asclepion, one of the foremost medical centres of the ancient world.

Legend and reality

Turkey is a land of legend, home to the ancient city of Troy, its beautiful queen Helen and the Trojan horse. It is also the land of Gallipoli, the famous World War I battlefield, and its memorials, which are particularly moving to visitors from Australia and New Zealand.

National tour details, prices and conditions are available on the congress website at:
