**ISSN Number: 2009-2822. Frequency: 4 Issues + 1 Hard Copy per year**

- **IRE Aims & Scope**

The aim of the *International Review of Entrepreneurship (IRE)* is to publish cutting edge research and case studies on entrepreneurship which have relevance for entrepreneurial policy, management, performance and practice. Articles should provide value added for at least one segment of the entrepreneurial community which includes researchers, students, faculty, entrepreneurs, managers, business angels, VCs, banks, and those engaged with public policy.
