

Association for Cultural and Educational Development YOUTH ON BOARD

Confirmation for participation in the project “Language Program”

This document stands to certify that *Svetlana Jakimovska* a professor from the Goce Delcev University in Shtip, North Macedonia participates at the “Language Program” project ad a France language educator organized by the Association for Cultural and Educational Development YOUTH ON BOARD. This program is designed to emphasize experiential and active language learning. Our creative itineraries and lesson plan perfectly weave fun cultural activities into our day-to-day adventures designed to encourage youngsters and students to think outside the box.

This program will include online lectures and workshop in the period from October 2020 until October 2022. The educators need to actively participate in meetings and sharing of knowledge, expertise, ideas and information. They will support young people involved in project activities in their personal, social and educational development in order to reach their full potential.
