WELCOME ADDRESS**Distinguished colleagues and friends,**

On behalf of the Balkan Association of Urology and the Macedonian Association of Urology, we have the honor to welcome you to the **2nd Balkan Congress of Urology** and the **4th Congress of the Macedonian Association of Urology**, which is held from **September 30. - 02.10.2022 in Hotel Drim, Struga**,

The mission of the Congress is to bring Macedonian, European and international colleagues together in one place and to enable a fruitful exchange of experiences, ideas and knowledge, such as improving skills and introducing new techniques and technologies.

Topics that will be covered: urology, nephrology, pathology, oncology, transplantation, urinary infections and varia.

We believe that the scientific program and the opportunity to hear lectures of top experts and scientists from the Balkans, Europe and beyond, participation in scientific debates and interactive discussions will be a challenge for you and an opportunity to exchange experiences, expand your knowledge, skills and techniques from all areas of urology and contemporary diagnostics, prevention and therapy as well as the possibility of establishing new professional contacts.

The 2nd Balkan Congress of Urology and the 4th Congress of the Macedonian Association of Urologists will be jointly organised and supported and by Balkan Association of Urology and Macedonian Society of Urology.

We hope your presence and active participation will contribute to successful realization of the planned activities.
