## Enlargement Policy, EU Values and the Western Balkans' Accession

**Objectives:** EUVALWEB Chair Course aims at providing in-depth and detailed knowledge of the European integration process and the construction of the Union's identity based on its founding values. It is divided into modules as specified below and will enable trainees to familiarize themselves with the internal and external challenges posed by the various enlargement processes and to understand the benefits of 'ever closer integration among the peoples of Europe'.

**Activities:** the Course will

take place three times a week of 4 hours each, from March to May. It will be held by the Chair Holder as a stand-alone course, but associated with the other courses, held by the same Chair Holder (EU Law and EU Migration Law).
