### PROGRAMME

International Slavic University Gavrilov Romanovich Derzavin  
Faculty of Philosophy – Skopje  
Philosophical Society of Macedonia

Maxima pars hominum cecis immerga tenebris  
Voluntur assidue, et s' fultis letatur mani:  
Alypice ut obice his obtutus in hercat umbras,  
Vi VERI simulacra omnes mirentur amens,

Et s' tollit' d'ana' ludantur imagine rerum.  
Quam pauci meliore luto, qui in lumine puro  
Secreti à s' tollit' turba, ludibria cernunt  
Rerum umbras rectas, expendunt omnia luce:

Hi posita' erroris nebula' discoscere possunt  
Vera bona, atque alios ceca' sub no' te latentes  
Extrahere in claram lucem conantur, ut illis  
Nullus amor lucis, tanta est r' rationis eges' tu.
