SUBMISSION AND DECISION

Authors can participate in the conference **with an abstract OR full paper**. Submitted abstracts and papers written in English should comply with the format of the Conference Instruction for Authors, must not have been published before and not be under review for any other conference or publication. All abstracts and papers will be subjected to a “blind review” by at least two members of the Scientific Committee. Based on Scientific Committee evaluation, an abstract or paper can be rejected or accepted by the Conference Chairs.

By providing the chance to submit research papers for publication, the conference hopes to promote the exposure of the research presented at the site on a global scale. We have discussed the potential of having one or more chosen papers published in journals with the editors of a number of journals. (www.miceb.me/publishing-opportunities)
