# 2024

# III ASCEA

ANNUAL SCIENTIFIC  
CONFERENCE OF THE CENTRAL  
EUROPEAN ACADEMY

## ORGANISER

Central European Academy

## DATE OF THE CONFERENCE

19-20 September 2024

## VENUE OF THE CONFERENCE

1053 Budapest, Kecskeméti u. 14

## CONCEPT

The conference aims to bring together outstanding young researchers from the Central European region in order to provide a platform where the future generation of legal scholars can discuss the most relevant and topical legal issues of the region. The exchange of ideas on innovative and well-functioning regulatory measures and good practices contributes to a higher level of cooperation between different neighboring countries and enables participants to develop a common Central European approach to these issues. The conference will be divided into several thematic panels, each one of them organized by Ph.D. students of the Central European Comparative Law program at the Ferenc Deák Doctoral School of Law at the University of Miskolc and research interns at the Central European Academy. Topics of the panels will focus on issues relating to constitutional law, environmental law, contract law, family law, financial law, criminal law, and labor law. The conference will also host specific panels dedicated to current challenges in the Polish, Croatian and Serbian jurisprudences.

**The 'ASCEA' conference is organised within the framework of the collaboration with the Ministry of EU Affairs on the occasion of the Hungarian Presidency of the Council of the European Union.**

## PARTNERS

Faculty of Law of the University of Miskolc  
Central European Association for Comparative Law

# III ASCEA

## Conference
