ABOUT JOURNAL

Management Research and Practice (MRP) was founded in December 2009 by the Research Centre in Administration and Public Services, Bucharest University of Economic Studies.

MRP is a peer-reviewed journal, issued quarterly (in March, June, September and December) in electronic form.

The international standard serial number for MRP is 2067-2462.

All papers are published open access under a Creative Commons CC BY 4.0 licence. This ensures that they receive the maximum dissemination because there are no barriers to access. This licence allows readers to distribute and reuse the paper, as long as proper attribution is given to the original authors and the source of first publication. The authors retain the copyright and full publishing rights without restrictions.

AIMS AND SCOPE

Management Research and Practice is an international journal, which advances theory, research and practice in management.

The journal aims to provide theoretically and empirically informed analysis on social, economical and technical issues related with the development in the field of management.

Embracing a multidisciplinary approach to the field, MRP publishes papers on a wide range of topics related to management:

- operational management
- strategic management
- quality management
- production management
- human resources management
- project management
- urban management
- public management
- information management
- any other topic relevant to the above fields.

The journal is addressed to diverse communities, including, but not limited to, academics, managers, economists, engineers, undergraduate and postgraduate students, anyone with a serious interest in the management.

The contributions suitable for MRP should fall into one of the following categories:

- Full-length research papers presenting important new findings in the field (max. 20 pages);
- Article and book reviews in the field (2-5 pages);
- Case studies describing new developments (max. 20 pages);
- Academic discussion papers dealing with medium to long-term trends and predictions (max. 20 pages)

The submitted papers should be original, unpublished, and not in consideration for publication elsewhere at the time of submission to the journal.

The journal is indexed in the following databases:
