The screenshot shows the journal's page on the Paradigm platform. At the top, there's a dark blue header with the Paradigm logo and navigation links: Content, Services, Paradigm, Partners, and Contact. Below this, a breadcrumb trail reads 'Journals > Organizacija'. The main content area features a large blue banner with the journal's cover image on the left. To the right of the cover, the journal's title 'Organizacija' is displayed, followed by its subtitle 'Journal of Management, Informatics and Human Resources' and the publisher 'University of Maribor'. An 'Open Access' badge is visible. On the right side of the banner, two metrics are shown: 'Impact Factor 1,3' and 'CiteScore 3,5'. Below the banner, there's a navigation bar with links for 'Journal details', 'For authors', 'Articles & issues', and 'Documents', along with a search bar and a 'Submit article' button.

Aims and scope

Organizacija is an interdisciplinary, peer-reviewed journal dedicated to publishing high-quality research in management, organizational science, human resources, and information systems.

The journal publishes original empirical, theoretical, and methodological contributions that enhance the understanding of organizational phenomena and management practices.

The journal encompasses a diverse range of analytical perspectives, including organizations of varying sizes and sectors, their internal structures, and the networks within which they operate.

The scope includes, but is not limited to:

- organizational theory and behavior
- human resource management and leadership
- digital transformation and business information systems

- organizational development and performance
- entrepreneurship and innovation in organizations

The journal is intended for both the academic and professional communities interested in organizational and management studies.

Organizacija (Journal of Management, Informatics and Human Resources) is a peer-reviewed academic journal published by the University of Maribor.

The journal is published four times per year (February, May, August, and November).

All articles are published in English and are made available online in an open-access format.

The journal operates on a continuous submission basis, with manuscripts accepted year-round.

The journal uses plagiarism detection tools to ensure the originality of submissions.
