CASE REPORTS

Thoracic endovascular aortic repair (TEVAR) in a combined penetrating thoracic aortic and spinal cord injury 

Jacqueline Amm and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae771, <https://doi.org/10.1093/jscr/rjae771>

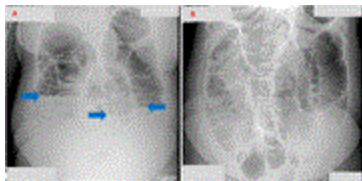

[View article](#)

Constricting colonic lipoma causing acute intestinal obstruction

Jay Lodhia and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae798, <https://doi.org/10.1093/jscr/rjae798>

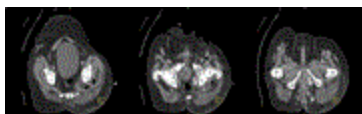

[View article](#)

Complex perianal abscess: a case report of shooting from the hip

Peter Tilleard and others

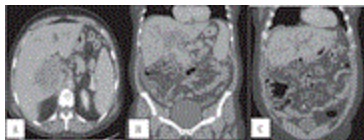

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae801, <https://doi.org/10.1093/jscr/rjae801>

[View article](#)

Fungal hepatic abscess formation postlaparoscopic cholecystectomy

Dana AlNuaimi and others

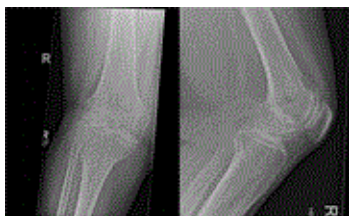

[View article](#)

Above knee amputation following periprosthetic joint infection after total knee arthroplasty: a fatal outcome

Catherine Purcell and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae806, <https://doi.org/10.1093/jscr/rjae806>

[View article](#)

Diffuse large B-cell lymphoma mimicking the cervical epidural hematoma in a patient who underwent spinal manipulation therapy: a case report and literature review

Klaudia Kokot and others

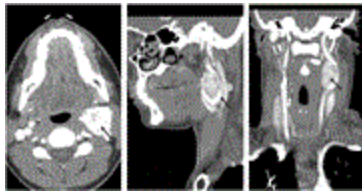

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae807, <https://doi.org/10.1093/jscr/rjae807>

Treatment of metastatic carotid body paraganglioma in a young female

Aldin Malkoc and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae811, <https://doi.org/10.1093/jscr/rjae811>

[View article](#)

Genitourinary tuberculosis presenting as treatment resistant dysuria in a young patient: a case report

Louis Woodward and others

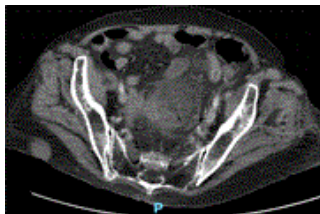

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae818, <https://doi.org/10.1093/jscr/rjae818>

[View article](#)

Colo-cutaneous fistula in the setting of complicated sigmoid diverticulitis previously managed with percutaneous drainage: a case report

Natalia Correa

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae674, <https://doi.org/10.1093/jscr/rjae674>

Simultaneous triple peptic perforations: a report of an extremely rare case

Van Phu La and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae800, <https://doi.org/10.1093/jscr/rjae800>

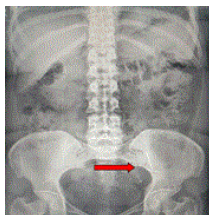

[View article](#)

Perforation of sigmoid colon by a migrated intrauterine contraceptive device (IUCD), diagnosis and surgical management: a case report

Muhammad E A Khan and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae803, <https://doi.org/10.1093/jscr/rjae803>

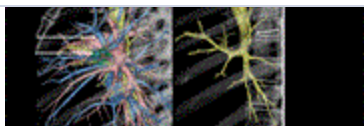

[View article](#)

Thoracoscopic segmentectomy for lung tumour with displaced B¹⁺²

Masahiro Miyajima and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae810, <https://doi.org/10.1093/jscr/rjae810>

[View article](#)

Optimizing hematoma management in axillary osmidrosis surgery: the role of timely drainage and prevention of flap necrosis

Wen-Tsao Ho

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae812, <https://doi.org/10.1093/jscr/rjae812>

[View article](#)

Successful retroperitoneal laparoscopic nephroureterectomy for thoracic kidney in a patient with ipsilateral ureteral cancer

Takuto Ogasawara and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae815, <https://doi.org/10.1093/jscr/rjae815>

[View article](#)

Giant periscapular lipoma unmasked by post-bariatric surgery weight loss: a case report

Hussain Mohammad and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae817, <https://doi.org/10.1093/jscr/rjae817>

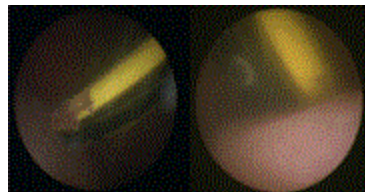

[View article](#)

Unusual intravesical findings: a case report on foreign body in the bladder of an adolescent female

Kholoud Alabassi and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae819, <https://doi.org/10.1093/jscr/rjae819>

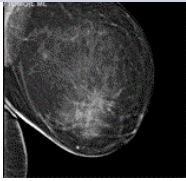

[View article](#)

Case report: hibernoma, a rare male breast mass

Joanna Sajdlowska and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae820, <https://doi.org/10.1093/jscr/rjae820>

[View article](#)

CT-guided radiofrequency neurotomy (RFN) of bilateral T3–4 sympathetic chain combined with bilateral L3 sympathetic ganglion in patient with palmar hyperhidrosis

Shangdao Lai and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae808, <https://doi.org/10.1093/jscr/rjae808>

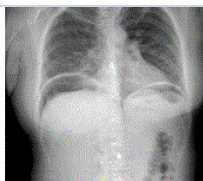

[View article](#)

Conservative management in a spontaneous pneumoperitoneum post breast augmentation and abdominoplasty: a rare case report

Faris Alsobyani and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae814, <https://doi.org/10.1093/jscr/rjae814>

[View article](#)

Simultaneous bilateral deep femoral artery aneurysms: case report of a rare peripheral arterial aneurysm

Rahel Abebayehu Assefa and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae821, <https://doi.org/10.1093/jscr/rjae821>

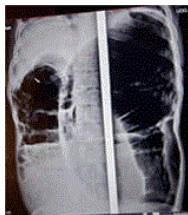

[View article](#)

Metachronous descending colon volvulus after sigmoidectomy: a case report

Asratu G Amare and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae827, <https://doi.org/10.1093/jscr/rjae827>

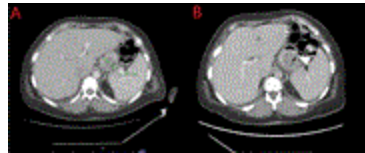

[View article](#)

Perforated marginal ulceration in the setting of single anastomosis duodeno-ileal switch (SADI-S) with conversion to Roux-en-Y gastric bypass and literature review

Vincent Marcucci and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae828, <https://doi.org/10.1093/jscr/rjae828>

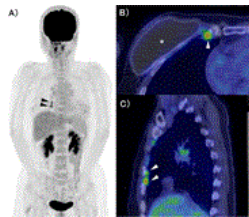

[View article](#)

Thoracic approach for suspected internal mammary lymph node recurrence following mastectomy and implant-based reconstruction: a case report

Daisuke Murayama and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae829, <https://doi.org/10.1093/jscr/rjae829>

[View article](#)

Metastatic multicentric epithelioid angiosarcoma of bone. A case report with pitfalls. Tumor seeding after percutaneous biopsy and hypercalcemia

Jorge Fuentes-Sánchez and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae022, <https://doi.org/10.1093/jscr/rjae022>

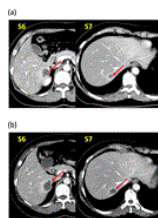

[View article](#)

Curative resection of multiple primary neuroendocrine tumors enabled by preoperative imaging: a case report

Hidetoshi Shidahara and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae805, <https://doi.org/10.1093/jscr/rjae805>

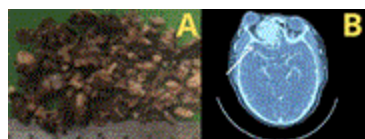

[View article](#)

Surgical management of an extensive nasal mass in an adolescent: insights from diagnostic imaging and histopathology

Sebastian Asteguieta and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae831, <https://doi.org/10.1093/jscr/rjae831>

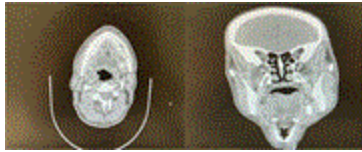

[View article](#)

CT navigation-assisted intraoral extraction of large submandibular gland stones: a minimally invasive approach

Utku Kubilay and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae832, <https://doi.org/10.1093/jscr/rjae832>

[View article](#)

Persistent ascending mesocolon: an unexpected content in a giant and complex paraumbilical hernia of a 48-year-old obese woman

Nuhu N Naabo and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae834, <https://doi.org/10.1093/jscr/rjae834>

[View article](#)

Gestational gigantomastia with pseudoangiomatous stromal hyperplasia – a case report of rare entities

Sophia Moore and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae835, <https://doi.org/10.1093/jscr/rjae835>

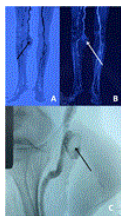

[View article](#)

Acupuncture gone awry: surgical management of a popliteal artery pseudoaneurysm with concurrent abdominal aortic aneurysm

Sebastian Asteguieta and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae837, <https://doi.org/10.1093/jscr/rjae837>

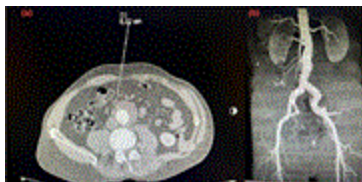

[View article](#)

Recurrent peripheral ischemia following endovascular repair of an infrarenal aortic aneurysm: what did we miss?

Laith A Ayasa and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae823, <https://doi.org/10.1093/jscr/rjae823>

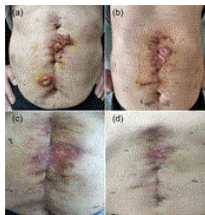

[View article](#)

Pseudoepitheliomatous hyperplasia misdiagnosed as cutaneous squamous cell carcinoma: a case report

Hongyu Ruan and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae838, <https://doi.org/10.1093/jscr/rjae838>

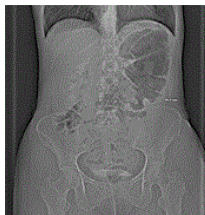

[View article](#)

Colonic herniation through the foramen of Winslow—to close the defect or not?

Saige Gitlin and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae839, <https://doi.org/10.1093/jscr/rjae839>

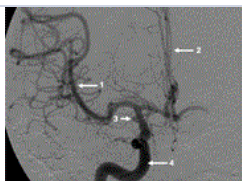

[View article](#)

Moyamoya phenomenon following clipping of intracranial aneurysm: case report

Masna B Inam and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae841, <https://doi.org/10.1093/jscr/rjae841>

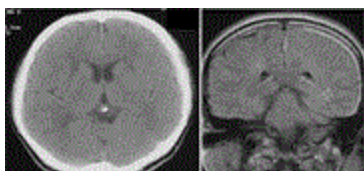

[View article](#)

Ruptured distal anterior cerebral artery aneurysm presenting with acute subdural hematoma without subarachnoid hemorrhage

Michio Yamazaki and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae843, <https://doi.org/10.1093/jscr/rjae843>

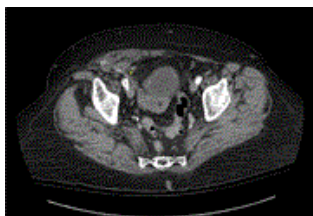

[View article](#)

Hidden in plain sight: abdominopelvic pain unveiling a Spigelian hernia containing ovary and fallopian tube

Joel Ketner and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae548, <https://doi.org/10.1093/jscr/rjae548>

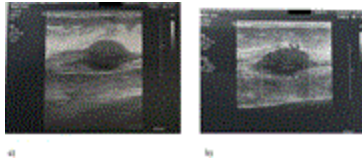

[View article](#)

Conoccurrence of extraskkeletal osteosarcoma and undiagnosed Paget disease in a 49-year-old female

Milena Bogojevska Doksevska and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae826, <https://doi.org/10.1093/jscr/rjae826>

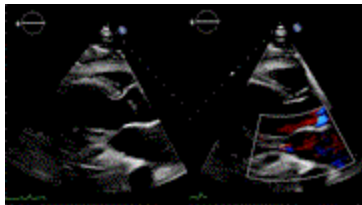

[View article](#)

Repairing the mitral valve without touching the mitral valve—a novel technique

Daniel Sitaranjan and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae845, <https://doi.org/10.1093/jscr/rjae845>

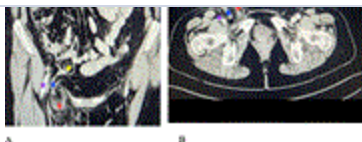

[View article](#)

A case report and literature review of De Garengeot hernia

Ahmed Salawu and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae673, <https://doi.org/10.1093/jscr/rjae673>

[View article](#)

Case report of the successful treatment of pemphigus vulgaris using ovine forestomach matrix graft

William A Kokal and Jessica Simon

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae848, <https://doi.org/10.1093/jscr/rjae848>

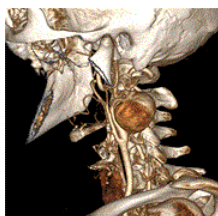

[View article](#)

Staged surgery for the treatment of carotid aneurysm

Shiyi Zhao and Dejie Chen

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae849, <https://doi.org/10.1093/jscr/rjae849>

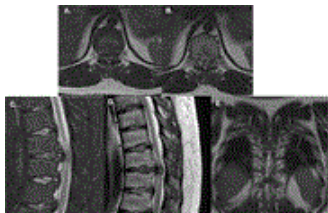

[View article](#)

Acute thoracic disc herniation with severe spinal cord compression: a case report

Mario Cahueque and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjaf001, <https://doi.org/10.1093/jscr/rjaf001>

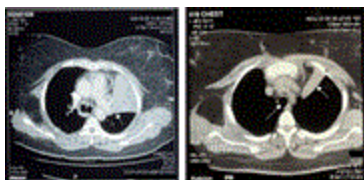

[View article](#) [Supplementary data](#)

A rare case of endo-bronchial lipoma presenting with vague cardiac symptoms

Zoha Asghar and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae703, <https://doi.org/10.1093/jscr/rjae703>

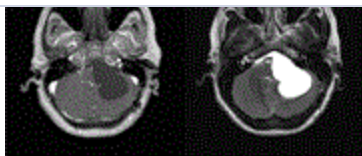

[View article](#)

Intracranial neurenteric cyst in the cerebellopontine angle: a case report

Nyoman Golden and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae840, <https://doi.org/10.1093/jscr/rjae840>

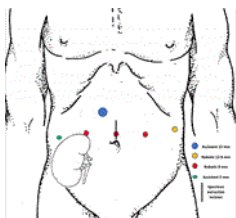

[View article](#)

First full intracorporeal robotic cystectomy and neobladder in a renal transplant recipient 📄

Xavier Tillou and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjaf009, <https://doi.org/10.1093/jscr/rjaf009>

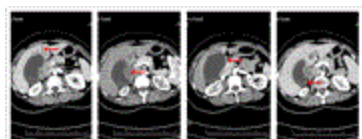

[View article](#)

Long-term survival of stage 4 gallbladder cancer after extended radical surgery plus limited chemotherapy: a case report 📄

Zhengbin Huang and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjaf010, <https://doi.org/10.1093/jscr/rjaf010>

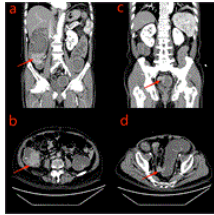

[View article](#)

Laparoscopic surgery for synchronous double colorectal cancer with obstruction, plus small B cell lymphoma: a case report

Shunhua Tian and others

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae830, <https://doi.org/10.1093/jscr/rjae830>

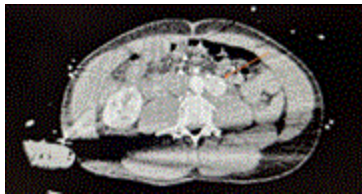

[View article](#)

Robotic-assisted excision of left para-aortic paraganglioma: a novel approach

Jack Kang Tan and Jason Ramsingh

Journal of Surgical Case Reports, Volume 2025, Issue 1, January 2025, rjae842, <https://doi.org/10.1093/jscr/rjae842>
