MOMS FOR AMERICA
AMERICA VS. ANTI-AMERICA:

(an alphabetical narrative)

Positive narrative

Mother: magic motivation, miracle morning, motherland. Mammy, my music, my memory,

Origin of optimism, orchard of offspring of our Omnipotent Omniscient One, operating onward,

Magnificently modest, motivating, managing magnanimity - manufacturing majestic manuscripts

Strengthening serious, soulful solutions, supporting sublime substances, schooling siblings:

For freedom fostered founding fathers' faith. Follow fertile future fields for firm family future

Of our objective ownership of outstanding opportunities ordering organic open-mindedness,

Reaffirming reality, right reasoning, rightful rationing, radiantly rebuilding, recovering radiant

America - ageless affirmation and articulation of advanced achievements, All-mighty's action

Motivating majestic minds, magnifying major masterpieces and mighty moral-mental meals,

Enters Earth's enthusiasm, electing emancipated, elucidated, educated, endangered ethics.

Rejoice Restore Republic's rational reasoning, reconnect recovery roads, restore righteousness

In immanently increased intelligence, in inspired initiatives: individually, institutionally, in

Constant, confident, clear credibility, creating charitable characters, claiming conserved climate

And astronomic accommodation among all-accomplishing, adorable abilities. Amazing awards.

Negative narrative

Mothers - malcontent machines, malevolent mutants machinating, mounting mercy-masks:

Outlaw, obsessively oppose objectivity, oppress opponents, overrule, overthrow onward oaths.

Mothers? More misleading, menacing, malcontent mutants meaning: meet MY measures, Man:

Support social shock, sabotage sacredness, sanction splendor, sample Satan, sons! Scare sanity!

Fight freedom. Force fables, facades. Forfeit facts. Forge fantasy Fair-lands. Fetch fiasco filming

Obsessed, obstructive, occult, odious offspring. Order oppressive operations, outlaw objectivity.

Revolutionize revolt revolving raging riots. Ruin right-reality, reverse reverence, recite requiem:

Attack, assassinate aged-advancements, abolish affirmative arguments, annul abundant accounts,

My monsters mightily mongering, mocking morality, my malcontent, mean matrix malkins :)

Eradicate edified eligible efficiencies, eliminate eminence, exterminate esteem, expaaand Eevil.

Rise: revolt, reject Right-road reasoning, reject rational rights, refuse right relationships, run

Insulting ideas, increase insensitive intellectualism, invasive illegalities, inflamed idiotism,

Chaos...calling: Cover up costly cunning carnivals! Constitute continual confusion, collapse !!!

Again, and always: add atrocious addicts, abominable acrobats, angrily accuse, abuse Aaamerica.
